

ABOUT MANNA

MANNA uses nutrition to improve health for people with serious illnesses who need nourishment to heal. By providing medically tailored meals and nutrition education, we empower people to improve their health and quality of life.

MANNA envisions a world where people with prescribed diets can access the medical nutrition they need in the same way they access prescription drugs at a pharmacy. Until we reach that goal, we will continue to raise funds through philanthropic sources to support clients throughout Greater Philadelphia with our medical nutrition services.

In 2024 MANNA delivered its **23 Millionth meal** and served its **50,000th client** since our founding in 1990. We supported **5,659 individual clients** with serious illnesses such as diabetes, cancer, HIV/AIDS and heart disease. We also provided meals for **625 dependents, 285 of whom were children**. We did this with the help of more than **8,000** volunteers who join MANNA chefs in our 10,000 square foot kitchen to help prepare and package meals, as well as deliver meals to clients' homes.

2025 is a special year for MANNA as we celebrate our **35th anniversary**. We are honored to partner with like-minded companies who share MANNA's community-building values and wish to support our **Food as Medicine mission**, and we are pleased to offer a variety of sponsorship opportunities, as detailed in the following pages.

THANKSGIVING AT MANNA

THURSDAY, NOVEMBER 27TH, 2025

SPONSORSHIP OPPORTUNITIES & BENEFITS

Each year, MANNA celebrates Thanksgiving Day with our clients and their families by delivering 4,000 homemade Thanksgiving meals with the help of 500+ volunteers. This tradition brings together staff, volunteers, and local dignitaries to prepare, package and deliver Thanksgiving meals, complete with all of the trimmings, to our clients suffering from serious illness-- providing them the opportunity to share the holiday with friends and family without the hassle of preparing a meal themselves. Along with knowing your dollars are going directly to support the nutrition needs of our neighbors battling illness, Thanksgiving Day sponsors will receive exciting benefits as detailed below, encompassing media coverage, volunteer opportunities, and exposure to MANNA's thousands of supporters.
