INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Metropolitan Area Neighborhood Nutrition Alliance

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Metropolitan Area Neighborhood Nutrition Alliance ("MANNA"), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities and changes in net assets, functional expenses, and cash flows for each of the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of MANNA as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for each of the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *City of Philadelphia Subrecipient Audit Guide*. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MANNA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MANNA's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the City of Philadelphia *Subrecipient Audit Guide* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MANNA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MANNA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules are required by the City of Philadelphia and the *City of Philadelphia Subrecipient Audit Guide* for the year ended June 30, 2024, are presented for the purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The above-described supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January ___, 2025 on our consideration of MANNA's internal control over financial reporting and on our tests of its compliance with certain provision of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of MANNA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering MANNA's internal control over financial reporting and compliance.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE A - NATURE OF BUSINESS

Metropolitan Area Neighborhood Nutrition Alliance ("MANNA") is a nonprofit, nonsectarian organization that uses nutrition to improve health for people with serious illnesses who need nourishment to heal. By providing medically tailored meals and nutrition education, they empower people to improve their health and quality of life. MANNA serves the greater Philadelphia area, including part of New Jersey and northern Delaware. MANNA is supported through contracts with various managed care organizations, as well as contributions, grants, and special event fundraising. During the years ended June 30, 2024 and 2023, MANNA served over 1,228,000 and 1,569,000 meals, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of presentation:

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

[2] Classification of net assets:

Net assets, revenues, gains and losses are classified based on the existence or absence of donor-imposed or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor-imposed (or certain grantor-imposed) restrictions.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both or through appropriation of endowment income or corpus pursuant to an endowment spending rate policy and are reported in the statements of activities and changes in net assets as net assets released from restrictions. Donor-imposed restrictions which are satisfied in the year of donation are reported as net assets without donor restrictions.

[3] Income taxes:

The Internal Revenue Service has classified MANNA as exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code ("Code"); as an organization, contributions to which are deductible under Section 170(c) of the Code; and as an organization that is not a private foundation as defined in Section 509(a) of the Code.

U.S. GAAP requires management to evaluate tax positions taken and recognize a tax liability if MANNA has taken an uncertain tax position that more likely than not would not be sustained upon examination by a government authority. Management has analyzed the tax positions taken by MANNA and has concluded that as of June 30, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

MANNA recognizes accrued interest and penalties associated with uncertain tax positions, if any. There were no income tax related interest and penalties recorded for either of the years ended June 30, 2024 or 2023.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements
June 30, 2024 and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[4] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

[5] Cash and cash equivalents and cash and cash equivalents held for endowment:

MANNA considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

The following table provides a reconciliation of cash, cash equivalents, and such amounts considered to be restricted as to use which include cash and cash equivalents held for endowment that are reported within the statements of financial position that sum to the total of the same such amounts shown in the statements of cash flows:

	<u>2024</u>	<u>2023</u>
Cash and cash equivalents	\$ 3,872,746	\$ 4,637,410
Cash and cash equivalents held for endowment	<u>748,357</u>	<u>507,443</u>
Total cash and cash equivalents and restricted cash shown in the statements of cash flows	<u>\$ 4,621,103</u>	<u>\$ 5,144,853</u>

[6] Accounts receivable and pledges receivable:

Accounts receivable consist of monies due for billings for work completed under contracts with various health insurance plans. Pledges receivable consist of unconditional promises to give for awards due in future periods. Accounts receivable and pledges receivable are periodically reviewed by management for collectability. Contributions to be received in one year or less are reported at net realizable value. Contributions to be received after one year, net of an allowance for uncollectible amounts, are initially reported at fair value, estimated by discounting them to their present value at a risk-adjusted rate. Thereafter, amortization of discounts is recorded as additional contribution revenue. An allowance for uncollectible contributions receivable is provided based upon management's judgment, considering such factors as prior collection history, type of contribution, relationship with donor, and other relevant factors.

MANNA uses the allowance method to determine uncollectible pledges receivable. The allowance is based on prior years' experience and management's analysis. As of June 30, 2024 and 2023, the allowance was \$-0- for the pledges receivable.

Management determines the allowance for doubtful accounts by regularly evaluating receivables and assessing the status of accounts. The allowance estimate is derived from a review of MANNA's historical losses based on the aging of receivables. This estimate is adjusted for management's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by MANNA. MANNA believes historical loss information is a reasonable starting point in which to calculate the expected allowance for credit losses as the company's portfolio segments have remained constant since MANNA's inception. As of June 30, 2024 and 2023, the allowance was \$122,000 and \$20,000, respectively.

Accounts are written off when they are deemed uncollectible.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements
June 30, 2024 and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[7] Investments:

Investments are reported at fair value in the statements of financial position. Investment income or loss is reported in the statements of activities and changes in net assets and consists of interest and dividend income and realized and unrealized gains and losses, less external and direct internal investment expenses.

[8] Certificates of deposit:

Certificates of deposit are carried at cost. The certificates of deposit, with a face value of \$954,490 and \$2,389,857 as of June 30, 2024 and 2023, respectively, range from one-month to one-year maturities and bear interest at rates ranging from 0.05% to 5.452%

[9] Property and equipment and depreciation and amortization:

Property and equipment are stated at cost, less accumulated depreciation and amortization. Expenditures for property costing in excess of \$1,000, or that materially increase the estimated useful life of the assets, are capitalized. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support, unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, MANNA reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. MANNA reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Property and equipment are depreciated and amortized using the straight-line method over the estimated useful life, generally as follows:

Transportation equipment	5 years
Kitchen equipment	5 years
Leasehold improvements	10 years
Office equipment	5 years

Management evaluates the recoverability of the investment in long-lived assets on an ongoing basis and recognizes any impairment in the year of determination. Long-lived assets were tested for impairment as of June 30, 2024 and 2023, and in the opinion of management, there was no impairment. It is reasonably possible that relevant conditions could change in the near term and necessitate a change in management's estimate of the recoverability of these assets.

[10] Public support revenue:

Funding for MANNA's activities is achieved partially through government funding, foundation, corporate, and other support, contributions, and in-kind contributions, including unconditional promises to give. These donations provide funding to be used to support the mission of MANNA. As the donors are not receiving a benefit as a result of these transactions, the donations are considered to be contributions to MANNA. Some contributions require that funds be expended for a specific purpose, and are considered to be net assets with donor restrictions.

MANNA recognizes unconditional contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[10] Public support revenue: (continued)

MANNA recognizes revenue from special events at the time of admission. The recognition of revenue is conditional on the event taking place. As of June 30, 2024 and 2023, there were conditional contributions associated with special events of \$257,500 and \$195,650, respectively.

Contracts through the AIDS Activities Coordinating Office are cost reimbursement government grants. These grants provide funding to be used for purposes indicated in the grant agreements. As the government is not receiving a benefit as a result of these transactions, the grants are considered to be contributions to MANNA. The grant agreements contain specific service requirements. As these stipulations create a barrier that must be achieved, and any amounts not expended must be returned, government grants are considered to be conditional contributions until such time as the barriers are overcome. Contributions from these grant agreements are therefore recognized as revenue when costs are incurred and specific service requirements are met, as required by the agreements. Until the financial information required by the funding sources is accepted, costs billed for program services under cost reimbursement contracts are subject to review and possible disallowance. In management's opinion, the potential for material disallowances is remote and, therefore, is not a barrier that would prevent the recognition of revenue. MANNA received no funds in advance of service requirements being met as of either June 30, 2024 or 2023. Conditional amounts of \$129,421 and \$948 were not yet recognized on government grants in progress as of June 30, 2024 and 2023, respectively.

[11] Contributed services:

Volunteers make significant contributions of time to MANNA and are essential in delivering MANNA's operations and mission. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would be purchased by MANNA. The value of this time is conservatively estimated by management at approximately \$607,000 and \$640,000 for the years ended June 30, 2024 and 2023, respectively. The value of this contributed time is not reflected in the financial statements since it does not meet the requirements for recognition.

[12] Contract revenue:

A portion of MANNA's revenue is derived through various provider services agreements with health insurance plans. Services performed include providing meals services and nutritional counseling to referred members of the various health insurance plans. Transaction prices are negotiated between MANNA and the health insurance plans at a per week per member rate. The transaction prices are known at the contract inception and are allocated to the performance obligations. Contract revenue is recognized at a point in time when meals are delivered or services are performed, as that is the point when the performance obligation transfers to the health insurance plans. The amount recognized is the amount that reflects the consideration expected to be received in exchange for providing services on behalf of the insurance plans.

Accounts receivable consist of monies due for billings for work completed under contracts with various health insurance plans. Accounts receivable associated with these contracts was \$1,140,986, \$750,347 and \$1,095,049 as of June 30, 2024, 2023, and 2022 respectively. Account receivables is considered a contract asset which is expected to be realized within the subsequent year. Deferred revenue represents advance payments from health insurance plans where the performance obligation has not yet been met. Deferred revenue associated with these contracts was \$450,588, \$812,559 and \$2,729,355 as of June 30, 2024, 2023 and 2022, respectively. Deferred revenue is considered a contract liability which is expected to be realized within the subsequent year.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[13] Allocation of functional expenses:

The costs of providing MANNA's program and its supporting services have been summarized on a functional basis in the statements of activities and changes in net assets. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and its supporting services. Expenses are charged to the program based on direct expenditures incurred. Any expenditure not directly chargeable has been allocated among program and supporting services classifications on the basis of time records and on estimates made by MANNA's management. Rent and related expenses, as well as certain telecommunications, equipment rentals and insurance have been allocated to functional classifications based on a combination of square footage of the facility and staffing of the organization.

[14] Advertising costs:

MANNA expenses the costs of advertising (including marketing and public relations), mainly related to special events, as incurred. Total expense was \$171,367 and \$358,355 for the years ended June 30, 2024 and 2023, respectively.

[15] Leases:

MANNA determines if an arrangement is a lease at inception.

Operating leases are recorded as operating lease right-of-use ("ROU") assets and operating lease liabilities (current portion and long-term portion) on the accompanying statement of financial position. Operating lease ROU assets and the related lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at commencement date. The operating lease ROU assets also include lease incentives and initial direct costs incurred. For operating leases, interest on the lease liability and the amortization of ROU assets result in straight-line rent expense over the lease term.

Leases may include options to extend or terminate the lease which are included in the ROU operating lease assets and operating lease liability when they are reasonably certain of exercise. Operating lease expense associated with minimum lease payments is recognized on a straight-line basis over the lease term. When additional payments are based on usage or vary based on other factors, they are considered variable lease payments and are excluded from the measurement of the ROU asset and lease liability. These payments are recognized as an expense in the period in which the related obligation was incurred.

[16] Adoption of new accounting pronouncement:

Effective July 1, 2023, MANNA adopted Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") 2016-13, *Financial Instruments – Credit Losses (Topic 326) – Measurement of Credit Losses on Financial Instruments*, as amended. ASU 2016-13 replaces the "incurred loss" credit losses framework with an expected loss methodology that is referred to as the current expected credit loss ("CECL") methodology which requires management's measurement of the allowance for credit losses to be based on a broader range of reasonable and supportable information for lifetime credit loss estimates. The measurement of expected credit losses under the CECL methodology is applicable to financial assets measured at amortized costs.

MANNA adopted ASU 2016-13 using the modified retrospective method for all financial assets measured as amortized cost which consisted of accounts receivable. Results for the year ended June 30, 2023 continue to be reported in accordance with previously applicable U.S. GAAP. The adoption and application of the standard had no material effect on these financial statements and primarily resulted in enhanced disclosures only.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE C - LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statements of financial position date, comprise the following as of June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Current financial assets:		
Cash and cash equivalents	\$ 4,621,103	\$ 5,144,853
Investments	12,837,090	11,793,144
Accounts receivable, net	1,140,986	750,347
Current portion - pledges receivable, net	<u>1,199,127</u>	<u>455,000</u>
Total financial assets	19,798,306	18,143,344
Less amounts not available to be used within one year:		
Net assets with donor restrictions subject to MANNA's spending policy and appropriation	(748,357)	(507,592)
Net assets with donor restrictions subject to expenditures for specified purposes	<u>(1,530,251)</u>	<u>(451,960)</u>
Total financial assets available to meet general expenditures	<u>\$ 17,519,698</u>	<u>\$ 17,183,792</u>

As part of MANNA's liquidity management plan, management's policy is to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. To assist in managing unanticipated liquidity needs, MANNA has a line-of-credit in the amount of \$8,000,000 available and unused as of June 30, 2024 and 2023.

NOTE D - PLEDGES RECEIVABLE

Pledges receivable consist of the meals program, capital campaign, and MANNA Institute pledges. For the years ended June 30, 2024 and 2023, there are pledges due in more than one year that are reflected at the present value of future cash flows using a discount rate of 2.50%, which will be amortized over the life of the associated pledges.

Pledges receivable as of June 30, 2024 and 2023 consist of the following:

	<u>2024</u>	<u>2023</u>
Receivable in one year or less	\$ 1,199,127	\$ 455,000
Receivable in two to five years	<u>946,999</u>	<u>780,000</u>
Total pledges receivable before discount	2,146,126	1,235,000
Less discounts to net present value	<u>(35,638)</u>	<u>(27,948)</u>
	<u>\$ 2,110,488</u>	<u>\$ 1,207,052</u>

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE E - INVESTMENTS

Investments consist of mutual funds totaling \$12,837,090 and \$11,793,144 as of June 30, 2024 and 2023, respectively.

NOTE F - FAIR VALUE MEASUREMENTS

Investments measured and reported at fair value are classified and disclosed in one of the following categories:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 – Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in inactive markets; or inputs that are derived principally from or corroborated by observable market data.

Level 3 – Unobservable inputs that are supported by little or no market activity and are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or other valuation techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

The financial instruments within the fair value hierarchy are based on the lowest level of any input that is significant to the fair value measurement. The valuation levels are not necessarily an indication of the risk or liquidity associated with the underlying assets and liabilities.

The following is a description of the valuation methodology used for instruments measured at fair value. This valuation methodology was applied to all of MANNA's assets and liabilities that are carried at fair value as of June 30, 2024 and 2023.

Mutual funds - the fair value of securities is the market value based on quoted market prices, when available, or market prices provided by recognized broker dealers (Level 1).

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although MANNA believes its valuation method is appropriate, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE F - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level, MANNA's investments at fair value, within the aforementioned fair value hierarchy, as of June 30, 2024 and 2023:

Investment Assets at Fair Value as of June 30, 2024				
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 12,837,090	\$ 12,837,090	\$ -	\$ -
Total investment assets at fair value	\$ 12,837,090	\$ 12,837,090	\$ -	\$ -

Investment Assets at Fair Value as of June 30, 2023				
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 11,793,144	\$ 11,793,144	\$ -	\$ -
Total investment assets at fair value	\$ 11,793,144	\$ 11,793,144	\$ -	\$ -

Changes in fair value levels:

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

NOTE G - CONCENTRATION OF CREDIT RISK INVOLVING CASH

MANNA maintains its cash in multiple accounts with one bank located in Philadelphia, Pennsylvania, and in one investment portfolio. These balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. During the year, MANNA may have cash balances in these financial institutions in excess of this limit. Management believes that the risk related with these funds is minimal.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE H - PROPERTY AND EQUIPMENT

A summary of property and equipment, at cost, less accumulated depreciation and amortization as of June 30, 2024 and 2023 is as follows:

	<u>2024</u>	<u>2023</u>
Transportation equipment	\$ 519,436	\$ 519,436
Kitchen equipment	1,427,695	1,414,393
Leasehold improvements	3,866,498	3,862,135
Office equipment	1,184,327	1,091,215
Construction-in-progress	466,750	-
	<u>7,464,706</u>	<u>6,887,179</u>
Less accumulated depreciation and amortization	<u>3,980,645</u>	<u>3,487,368</u>
	<u>\$ 3,484,061</u>	<u>\$ 3,399,811</u>

Depreciation and amortization were \$493,277 and \$463,422 for the years ended June 30, 2024 and 2023, respectively.

NOTE I - LINE-OF-CREDIT

On January 5, 2022, MANNA entered into an uncommitted, revolving line-of-credit agreement with a bank for maximum borrowings of \$8,000,000. The line-of-credit bears interest equal to the one-month Bloomberg Short-Term Bank Yield plus 0.75% totaling 6.15% and 5.97% as of June 30, 2024 and 2023, respectively. The line-of-credit is collateralized by all of MANNA's investments. There was no outstanding balance on the line-of-credit as of June 30, 2024 or 2023.

NOTE J - COMMITMENTS AND CONTINGENCIES

Building lease

In November 2015, MANNA entered into a new 184-month lease agreement, commencing on June 30, 2016, for its current facility that has been recorded in accordance with Accounting Standards Codification ("ASC") 842 as an operating lease. The lease expires October 2031. Monthly base rent under the lease is approximately \$41,000, with increases over the life of the lease.

The liabilities under operating leases are recorded at the present value of the minimum lease payments. Lease expense of \$470,134 and \$430,957 for the years ended June 30, 2024 and 2023, respectively, relating to operating leases, consisting of ROU asset amortization and lease liability interest, is included in facilities on the statements of functional expenses.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE J - COMMITMENTS AND CONTINGENCIES (CONTINUED)

Building lease (continued)

The following maturity analysis of the annual undiscounted cash flows of the operating lease liabilities as of June 30, 2024 is as follows:

Year Ending June 30,	Debt	
2025	\$ 519,358	
2026	532,342	
2027	545,650	
2028	559,291	
2029	573,274	
Thereafter	1,442,916	
	4,172,831	
Less: amount representing interest	(482,688)	
Total	<u>\$ 3,690,143</u>	

Operating Leases Reported as of June 30,	2024	2023
Current portion of lease liabilities	\$ 519,358	\$ 506,690
Lease liabilities, net of current portion	<u>3,170,785</u>	<u>3,563,445</u>
Total	<u>\$ 3,690,143</u>	<u>\$ 4,070,135</u>

As of June 30, 2024, the operating lease ROU assets and operating lease liabilities related to these agreements were \$3,004,136 and \$3,690,143, respectively. As of June 30, 2023, the operating lease ROU assets and operating lease liabilities related to these agreements were \$3,347,574 and \$4,070,135, respectively. The weighted average remaining lease term of these agreements is 7.3 years and weighted average discount rate is 3.25%. The total rent expense under these agreements was \$470,134 and \$430,957 for fiscal years 2024 and 2023, respectively. The cash paid for amounts included in the measurement of lease liabilities was \$506,690 and \$494,332 for fiscal years 2024 and 2023, respectively.

Contractual adjustments

The contracts and grants under which MANNA conducts its programs contain provisions defining costs which are allowable and reimbursable within the program. Program billings are subject to audit by various governmental funding sources. Audits of these billings may result in adjustments for disallowances.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE K - NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted for the following purposes or period as of June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Subject to expenditures for specified purposes:		
Capital Campaign - rent reserve	\$ 446,536	\$ 916,672
MANNA Institute	366,933	597,589
Fundraising event	20,000	40,000
Equipment upgrade	17,375	-
Meals study	<u>127,500</u>	<u>127,500</u>
	<u>978,344</u>	<u>1,681,761</u>
 Promises to give, the proceeds of which have been restricted by donor for:		
Meals program	<u>750,000</u>	<u>1,125,000</u>
 Subject to the passage of time:		
Promises to give that are not restricted by donors but which are unavailable for expenditures until due	<u>1,396,126</u>	<u>110,000</u>
 Endowments:		
Subject to appropriation and expenditure when a specified event occurs:		
General use	<u>26,298</u>	<u>5,533</u>
 Perpetual in nature the earnings from which are subject endowment spending policy and appropriation:		
General use	<u>722,059</u>	<u>502,059</u>
	<u>\$ 3,872,827</u>	<u>\$ 3,424,353</u>

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE K - NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)

Net assets were released from donor restriction by incurring expenses satisfying the restricted purpose specified by the donors as follows for the years ended June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Satisfaction of purpose restrictions:		
Capital Campaign - rent reserve	\$ 470,136	\$ 464,713
MANNA Institute	234,656	72,611
Fundraising event	20,000	-
Meals program	<u>375,000</u>	<u>375,000</u>
	1,099,792	912,324
Satisfaction of time restrictions:		
General purposes	<u>80,000</u>	<u>160,000</u>
	<u>\$ 1,179,792</u>	<u>\$ 1,072,324</u>

NOTE L - DONOR-RESTRICTED ENDOWMENTS

MANNA has donor-restricted endowment funds that are included in nets assets with donor restrictions.

MANNA's donor-restricted endowment consist of one fund: Sue Burns Kremer Fund. This endowment was established to support the MANNA's general operation. As required by U.S. GAAP, net assets associated with endowment funds, are classified based on the existence or absence of donor-imposed restrictions.

[1] Interpretation of relevant law:

The Commonwealth of Pennsylvania has not adopted Uniform Prudent Management of Institutional Funds Act ("UPMIFA"). State law allows nonprofit organizations to make an election to adopt a total return investment policy as provided by Act 141 (1988) of Pennsylvania legislature, 15 Pa. C.S.A. Section 5548 *Total Return Election*. MANNA did not make a total return election; therefore, MANNA is permitted to spend interest and dividends.

[2] Return objectives and risk parameters:

Endowment assets include those assets of donor-restricted funds that MANNA must hold in perpetuity. Accordingly, the investment objective is the preservation of capital as well as providing a predictable stream of funding to the program supported by its endowments without bearing risk of market fluctuation.

[3] Strategies employed for achieving objectives:

MANNA is working on implementing a strategy to satisfy its long-term rate-of-return objectives.

[4] Spending policy:

In accordance with donor instructions, earnings on the donor-restricted endowments are considered restricted; as such, earnings may only be used for the program purpose specified by the donors. Interest and dividend income on the funds' investments is appropriated as determined by the Board of Directors. MANNA is in the process of adopting a formal spending policy.

METROPOLITAN AREA NEIGHBORHOOD NUTRITION ALLIANCE

Notes to Financial Statements June 30, 2024 and 2023

NOTE L - DONOR-RESTRICTED ENDOWMENTS (CONTINUED)

[5] Funds with deficiencies:

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the original gift (underwater endowments). Such deficiencies are recorded as net assets with donor restrictions. In the event that an endowment fund is underwater, all income and distributions will be reinvested into the endowment fund until the market value of the endowment fund has recovered. As of June 30, 2024 and 2023, there were no deficiencies of this nature.

Endowment funds as of June 30, 2024 and 2023 comprise the following:

	2024		
	Net Assets Without Donor Restrictions	Net Assets With Donor Restrictions	Total
Donor-restricted endowment funds:			
Original donor-restricted gift amount	\$ -	\$ 722,059	\$ 722,059
Accumulated investment gains	-	26,298	26,298
	<u>\$ -</u>	<u>\$ 748,357</u>	<u>\$ 748,357</u>
	2023		
	Net Assets Without Donor Restrictions	Net Assets With Donor Restrictions	Total
Donor-restricted endowment funds:			
Original donor-restricted gift amount	\$ -	\$ 502,059	\$ 502,059
Accumulated investment gains	-	5,533	5,533
	<u>\$ -</u>	<u>\$ 507,592</u>	<u>\$ 507,592</u>

Notes to Financial Statements June 30, 2024 and 2023

NOTE M - RETIREMENT PLANS

In September 2017, MANNA began providing to its employees a defined contribution benefit plan under Section 401(k) of the Internal Revenue Code. Employees are eligible upon date of hire. MANNA will match \$1.50 for every \$1.00 deferred by the employee up to 3% of the employee's salary. The match amount can be changed by management upon a 30-day notice. Management also has the discretion to contribute a profit-sharing portion that is applied to all employee's accounts whether or not they are participating in the 401(k) plan. For the years ended June 30, 2024 and 2023, the total match and profit-sharing contributions were \$120,876 and \$148,698, respectively.

NOTE N - SUBSEQUENT EVENTS

MANNA has evaluated subsequent events through January 28, 2025, which is the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
Metropolitan Area Neighborhood Nutrition Alliance

We have audited Metropolitan Area Neighborhood Nutrition Alliance, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and the City of Philadelphia *Subrecipient Audit Guide*, the financial statements of Metropolitan Area Neighborhood Nutrition Alliance, which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 28, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Metropolitan Area Neighborhood Nutrition Alliance's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Metropolitan Area Neighborhood Nutrition Alliance's internal control. Accordingly, we do not express an opinion on the effectiveness of Metropolitan Area Neighborhood Nutrition Alliance's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Metropolitan Area Neighborhood Nutrition Alliance's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Metropolitan Area Neighborhood Nutrition Alliance's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Metropolitan Area Neighborhood Nutrition Alliance's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Metropolitan Area Neighborhood Nutrition Alliance's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
